PAGE 1 / 1

This is in response to the request for additional information as requested in the FEC letter dated February 1, 2012 for the Amended September Monthly Report 8/1/2011-8/31/2011.

In response to Finding 1:

MCRP was asked to provide the address for each disbursement itemized on Schedule B. This was due to an error with our reporting software and has since been corrected and included in the amendment.

In response to Finding 2:

MCRP was asked to include a brief description to clarify Political Consulting. This has been corrected and brief statements describing the purpose have been included in the amendment.

In response to Finding 3:

Schedule H4 discloses incorrect total year to date amounts for allocated activity using the incorrect fixed percentage amounts. This has been corrected and has been included in the amendment.

In response to Finding 4:

MCRPs original report did not disclose a payment to the original vendor for Reimbursement for Postage/ this was due to an error with our reporting software and has since been corrected and included in the amendment.

In response to Finding 5:

Schedule H4 discloses disbursements using the incorrect fixed percentage amounts. This has been corrected and has been included in the amendment.
